

Testimonials from Westnedge Square Tenants

First Subway in Kalamazoo!
There is an abundance of traffic – very busy intersection!

-Subway

I can count on Allied Capital's consistency! I know exactly what to expect when it comes to lease negotiations and property management.

Visible location - good signage on corner!
Very helpful staff – courteous, professional. My calls are always returned. Dave is right there when you need him.
When you call, they're there!

We get customers from both Kalamazoo and Portage because of the location (on corner of Westnedge & Kilgore).

Corner location is great!
The center is always taken care of! Maintenance person is on-site every morning cleaning up, etc.
